

# RENTAL GUIDE

## THE BASICS

### Who We Are

BubbleBall MD was started out of a garage in 2014 by Baltimore-natives Jon Millhausen and Ryan Schuman. Since then it has grown into the largest bubble soccer rental business in the US with over 75,000 participants and 1,000+ events to-date. Our **#1 goal** is to provide you with the safest, most fun BubbleBall experience possible. Are you ready?

### What Is BubbleBall?

BubbleBall is a mix of bumper cars, sumo, and ridiculousness. You are protected by a giant bubble that covers you from your thigh to above the head. You can get knocked down and flip over without feeling a thing! While bubble soccer is the most popular game, we also offer...

-  **BUBBLE FOOTBALL**
-  **KING OF THE RING**
-  **SHARKS & MINNOWS**

### BubbleBall is PERFECT For...

- Birthday Parties
- Graduation Parties
- Festivals
- Company Events

### DATE & TIME

We rent BubbleBalls **year round**. After submitting your request, we will check our schedule and confirm we are available on your requested day. Due to high demand we recommend booking 3-4 weeks in advance.

### LOCATION

We bring the fun to you! We just require a space about the size of basketball court (50'x80') to play a standard 5v5 game and can set up at most parks, backyards, and indoor venues. Trouble finding a location? Let us know and we'll help you find one.

### # OF BUBBLES

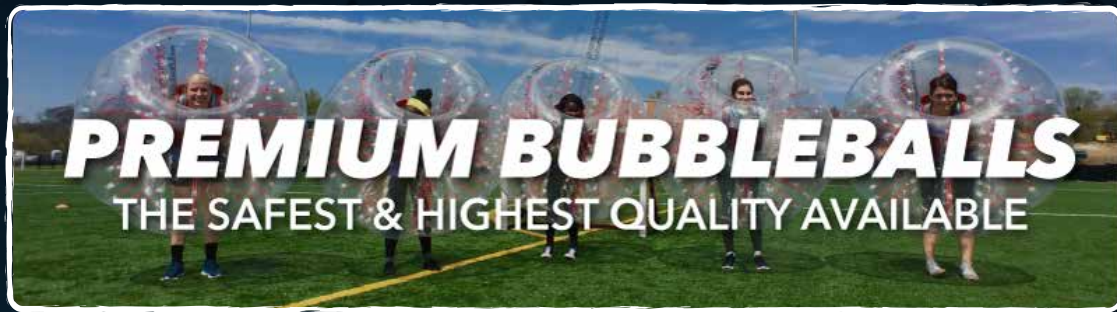

You can rent as few as 4 bubbles and as many as 100 (and anything in-between)! Keep in mind, BubbleBall is tiring and players can quickly swap in and out, so you don't necessarily need to rent one per person. We can provide suggestions.

\*Rental requests are submitted through our online request form at [www.BubbleBallMD.com/rent](http://www.BubbleBallMD.com/rent) or by calling (844) 344-2867

## FREQUENTLY ASKED QUESTIONS

### IS BUBBLEBALL SAFE?

Playing BubbleBall is like having a cushion of air around your whole body. Our experienced coordinators will teach safety rules and enforce them during play. We recommend that people with pre-existing conditions or injuries consult their doctor before playing.

### HOW MANY BUBBLES SHOULD I RENT?

This depends on how many people will be playing, how long you would like to play, and the nature of your event. Playing BubbleBall is tiring and players can quickly swap in and out so we generally recommend renting less bubbles than the # of players. We can help recommend packages when you book.

### ARE THERE SIZE OR AGE REQUIREMENTS?

We recommend all players be 4'6" or taller and weigh less than 275 lbs in order to participate. There are no age restrictions. Please let us know at the time of booking if you have players shorter than 4'6" or heavier than 275 lbs. We may be able to accommodate them with special bubbles.

### WHAT HAPPENS IF IT RAINS?

If the weather is bad or forecasted to be bad, we will reschedule you for a future date of your choice for **free**. If you need to reschedule your rental for any other reason, please give us at least one week's notice. If you choose to cancel without rescheduling, all payments will be refunded minus your deposit.
